

# Task 2: Requirements

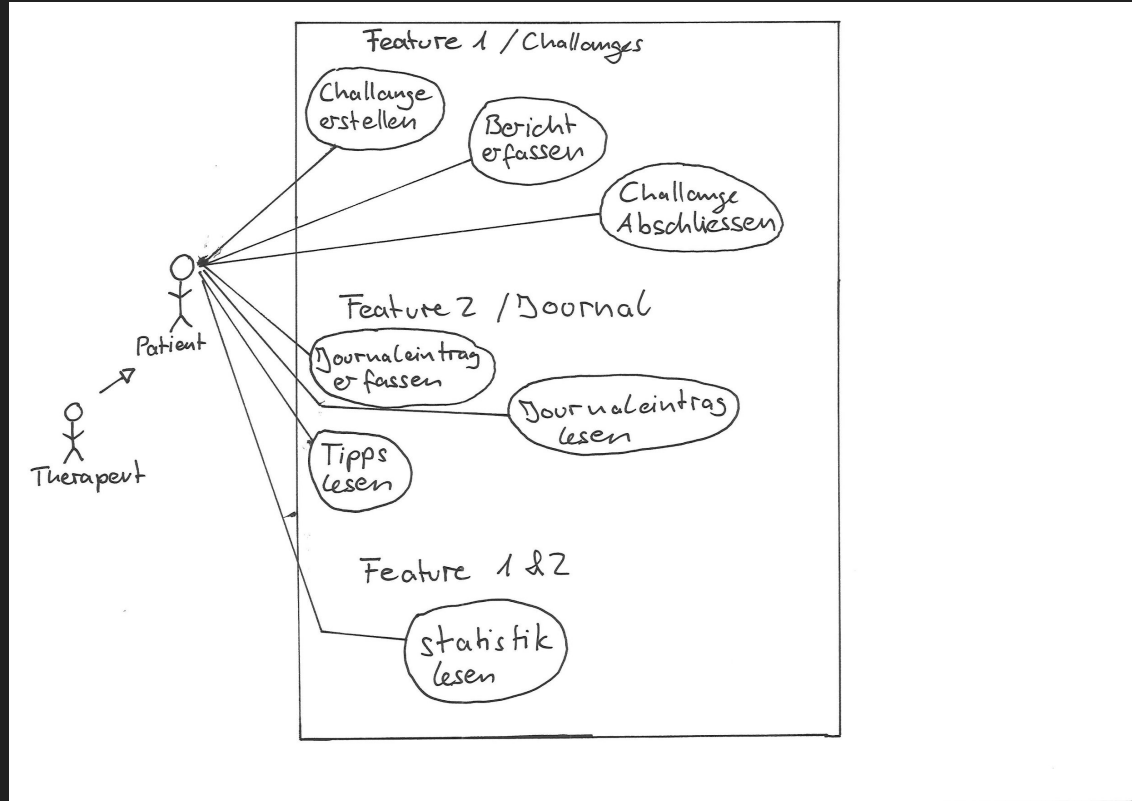

By Team RED

# Introduction - Short Description

**CHALLENGE ACCEPTED**

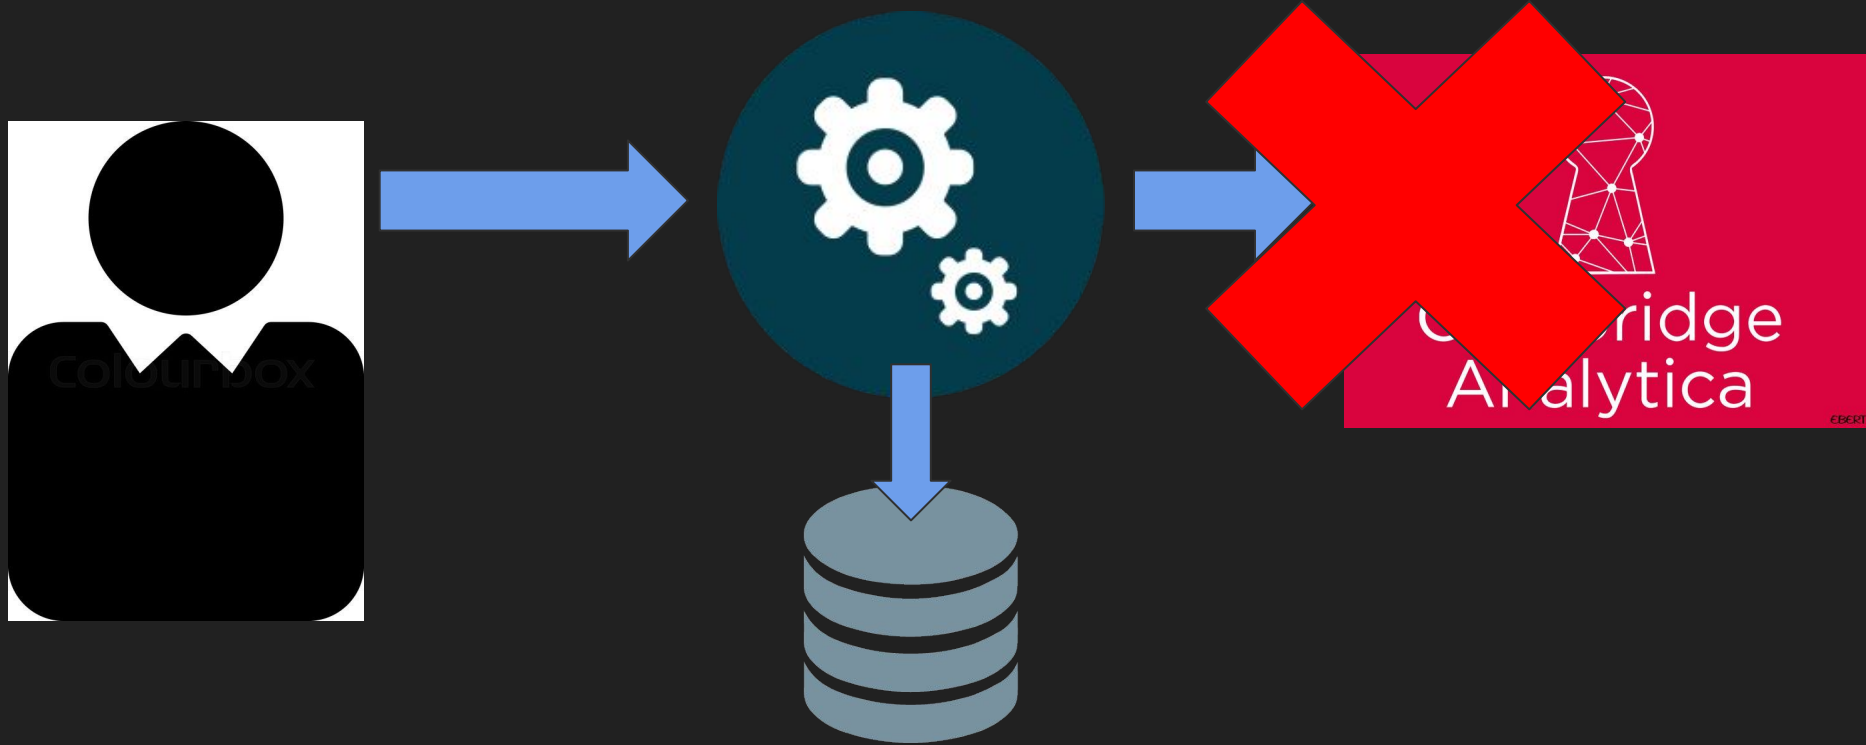

# User Requirements Definition

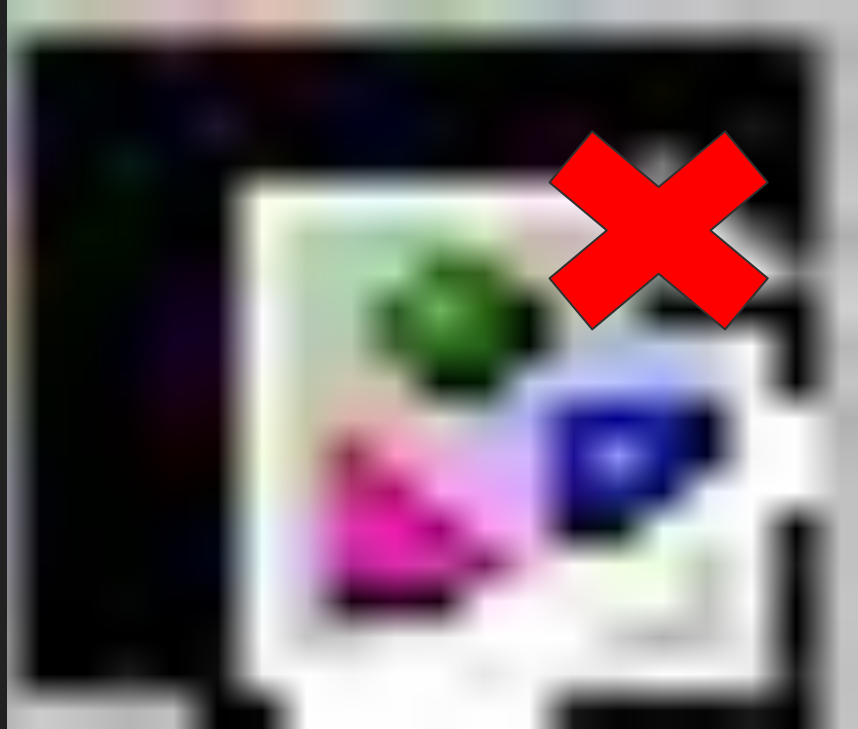

# System Architecture

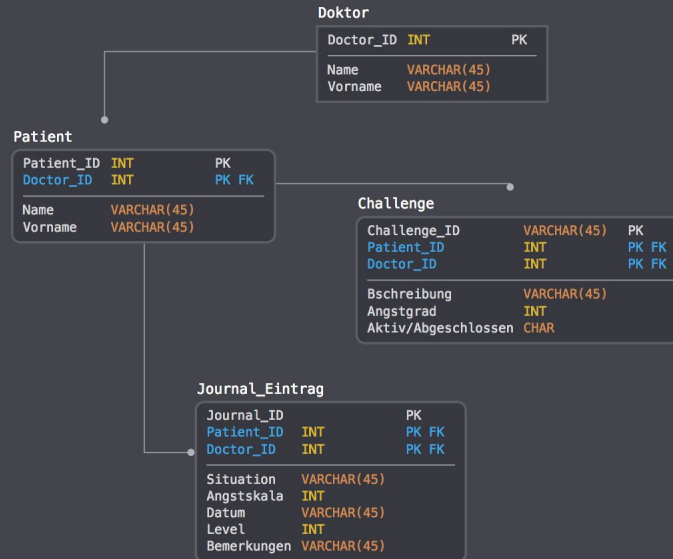

# System Requirements Specification

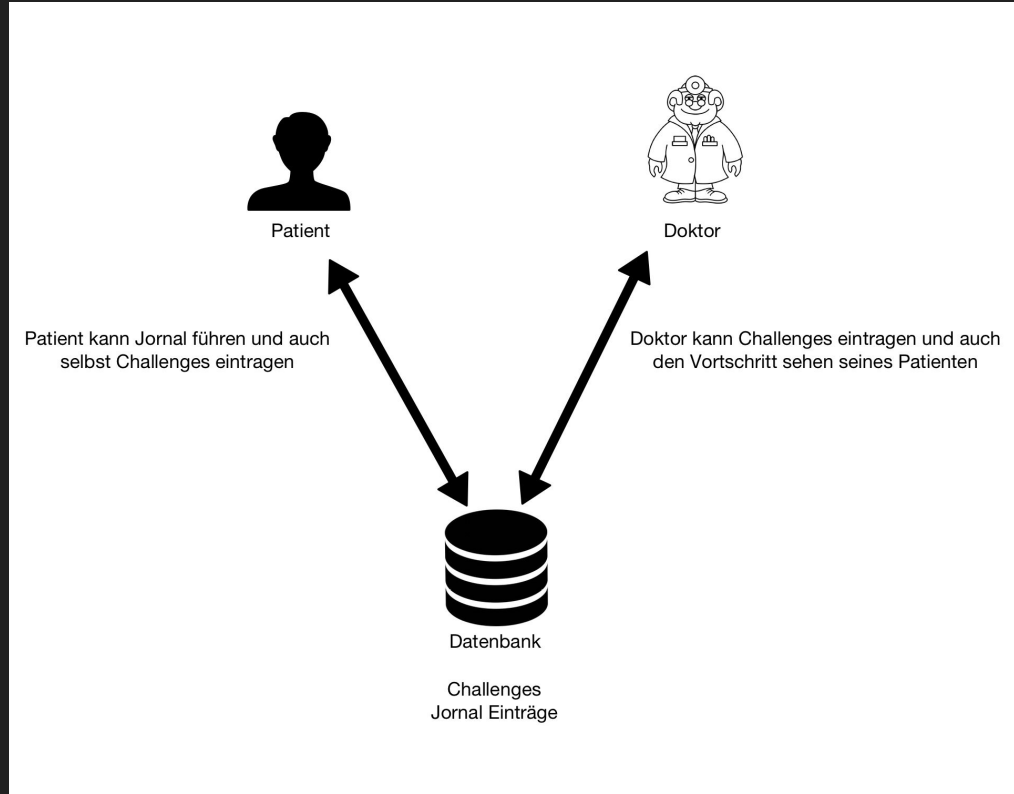

# System Requirements Specification

# System Models

# System Models

# System Evolution

## Lehman's Law

Continuing Change

Self Regulation

Conservation of Organisational Stability

Conservation of Familiarity

Continuing Growth

Declining Quality

Feedback System

# Testing

**Unit Test**

**Full System  
Test**

**Non  
Functional**

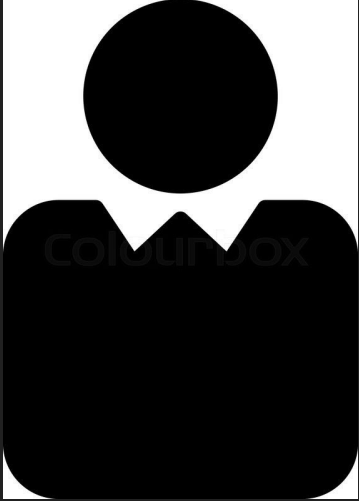

# Testing

**Internal**

**External**

# Appendices

1 GB Memory

1 Ghz CPU

10 GB Hard Disk

5 GB Internet Bandwidth
